

***Educational background:**

Experimental diploma
General Practitioner
Diagnostic Radiologist

***administrative records:**

- Director of Farabi Hospital Monday, December 4, 2000 to Saturday, December 21, 2002, Farabi Hospital - Tehran University
- Head of the Hospital Civil martyr Karaj, Friday, February 7, 2003 to Sunday, February 6, 2005, Civil Hospital - University of Iran
- Department of Radiology Breast Cancer Research, from 2005 until now, Breast Cancer Research
- Third Congress of Radiology workshops for breast cancer, 2010, Breast Cancer Research
- Fourth Congress of Radiology workshops for breast cancer, 2011, Breast Cancer Research
- Fifth Congress of Radiology workshops for breast cancer, 2012, Breast Cancer Research
- The Sixth Congress of Radiology workshops for breast cancer, 2013, Breast Cancer Research
- Seventh Congress of Radiology workshops for breast cancer, 2014, Breast Cancer Research
- Secretary of the Scientific Committee sono-guided breast biopsy short-term training courses, 2013, Breast Cancer Research
- Scientific Secretary day conference breast imaging for general practitioners, 2015, Breast Cancer Research
- Secretary of the Scientific Committee of the Fourth and Fifth and Sixth Congress of Radiology Breast Cancer, 2011, 2012, 2013, Breast Cancer Research
- Scientific Secretary vacuum breast biopsy workshop, 2014&2015, Radiological Society
- Scientific Secretary of Radiology Committee, 2014, Breast Cancer Research

Participation in training and skills

- Workshop on localization of breast lesions, 2011, Breast Cancer Research
- CT training course, 2001, Shahid Beheshti University

- MRI Fellowship, University british Colombia vancouver, 2006
- Essay Workshop,2015, Breast Cancer Research
- SPSS workshop,2015, Breast Cancer Research
- Workshop vacuum breast biopsy,Radiological Society,2015 to2016
- Workshop localization wire,2010,Breast Cancer Research
- Workshop Svnvalastvgrafy, 2011,Breast Cancer Research
- Advanced breast imaging,Radiological Society, 2010
- Basic knowledge in breast cancer imaging workshop for general practitioners, 2015,Breast Cancer Research
- Find information workshop on scientific bases, 2015,Breast Cancer Research
- Workshop with EBD NOTE resource management software,2015,Breast Cancer Research

training records

- educational experience, Workshop vacuum breast biopsy,As a teacher ,Radiological Society,2014&2015
- Workshop on localization of breast lesions,2011,Breast Cancer Research
- Workshop localization wire,2010,Breast Cancer Research
- Ultrasound-guided breast biopsy following short tutorial,2013,Breast Cancer Research
- New methods in Breast Cancer Symposium,2011,Breast Cancer Research
- Breast MRI,2011,Breast Cancer Research
- Digital and analog mammography: Honors and shortcomings,2012,Breast Cancer Research
- Imaging in pregnancy and lactation, 2013,Breast Cancer Research
- Dealing with breast cancer in premenopausal patients, Society for Radiation Oncology Iran,2014,Breast Cancer Research
- Mastitis Granvmatvz,2014,Breast Cancer Research
- Challenges in breast cancer treatment, Iranian Association of General Surgeo,2015,Breast Cancer Research

-Breast cancer screening, Infertility and Reproductive Health Research Center martyr Beheshti University,2012

- Mammographic views malignant breast masses,2010,Breast Cancer Research

-Post mastectomy complication &management, Iranian Association of General Surgeons,2010

-Facade of breast imaging after surgery,Radiological Society,2010

-Evaluation of the masses in mammograms, Imam Khomeini Hospital, Tehran University, 2014

-Evaluation of benign and malignant breast ultrasound views,Radiological Society and the Medical Council of Karaj,2005

-Breast MRI,Breast Cancer Research,2010

-Treatment of breast Nyvadjvnt,Breast Cancer Research,2010

- Orbital trauma,Ophthalmology Congress,2002

-Imaging features of metabolic bone disease,medical University Tehran,2002

-Mammography assessment,Radiological Society and the Medical Council of Karaj,2004

-Evaluation of the masses in mammograms at ACR 2013,Radiological Society,2015

-Askryng breast cancer in high risk patients,University of Tehran,2013

-Askryng breast cancer in high risk patients,Breast Cancer Research,2006

-Facade breast imaging evaluation after surgery,University of Tehran,2014

-Key points in the follow-up of patients with breast cancer,Breast Cancer Research,2010

- Treatment of metastatic breast cancer patients with limited focus,Breast Cancer Research,2010

-Treatment of metastatic breast cancer,Breast Cancer Research Center - University shahid Beheshti,2005

-New diagnostic breast cancer,Ghaem Hospital in Rasht,2014

research projects

-Sensitivity and specificity of MRI mammography and sonography in the evaluation of fat necrosis,Responsible,2014

-Evaluation of Tumor Surgery marked with sonographically guided Blvdvmtyn,Colleague,2009

- Evaluate the sonographic findings in patients with relative density in mammography, Colleague, 2005
- Carefully evaluate midwives at the touch of breast lumps, Colleague, 2004
- Check stereotypes breast enlarge, Colleague, 2014
- Check indications for MRI requests in breast disease center, Colleague, 2004

authorship of scientific publications

- Granulomatous mastitis, Erythema nodosum and oligoarthritis in a pregnant woman. A case report.; Compilation, The breast journal, 2008
- Evaluation of MR CP in evaluating liver disease, Compilation, Journal of Radiology, 2005
- FNA in benign and malignant breast tumor susceptibility, Compilation, Journal of Radiology, 2005
- Check Kmplykasyvn vacuum biopsy involves imaging, Compilation, Journal of Radiology, 2015
- Fat necrosis is a diagnostic challenge with breast cancer, Compilation, Arch Breast cancer, 2015
- The relationship with the metastasis of breast tumor characteristics Klynykvpatvlvzhykal, 7th Congress of Breast Cancer Center University of Tehran University, the writer, 2014
- Lobular carcinoma of the breast mammography and ultrasound signs of Salhay92-80, 7th Congress of Breast Cancer Center University of Tehran University, the writer, 2014
- The effect of breast MRI results changed treatment decisions, 7th Congress of Breast Cancer Center University of Tehran University, the writer, 2014

article in the prestigious scientific conferences

- Kmplykasyvn assessment vacuum biopsy involves imaging in patients Vector Research Center of the breast in patients 92 to 93, Radiology Congress, Speech, 2015

- Assessment of mammography and ultrasound views of invasive breast carcinoma in patients with breast Research Center from 81 to 92, 10th Breast Cancer Congress shahid Beheshti, Speech, 2014
- Assessment of mammography and ultrasound views of invasive breast carcinoma in patients with breast Research Center from 81 to 92, 7th Congress of Breast Cancer Center University of Tehran University, Speech, 2014
- FNA sensitivity in the diagnosis of benign and malignant breast tumors, Radiology Congress, poster, 2005
- Evaluation of fat necrosis in mammography, ultrasound and MRI views, 9th Breast Cancer Congress shahid Beheshti, poster, 2013
- Create breast cancer in a case of Hodgkin's lymphoma, 10th Breast Cancer Congress shahid Beheshti, poster, 2014
- Check out Andykasin stereotypes zoom in mammographic lesions, 10th Breast Cancer Congress shahid Beheshti, poster, 2014
- Evaluation of sonographic and mammographic appearances of invasive lobular carcinoma in breast cancer research center since 1380 to 1392-(**rapid oral presentation**), 10th Breast Cancer Congress shahid Beheshti, poster, 2014
- Diagnosis and treatment of breast disease for physicians & midwives, Breast Cancer Research Centre, University of Tehran University, Speech, 2014
- New methods for the early detection of breast cancer, Guilan University of Medical Sciences, Speech, 2015
- Congress of Radiology, Iranian Society of Radiology, Speech, 2014
- Program Clinical Oncology Annual Meeting, Cancer Radiation Therapy Association, Speech, 2014
- Program for breast (2) vector -Tsvyr breast biopsy suspicious lesions using a special vacuum, Especially specialists in General Surgery, University shahid Beheshti two-day seminar, Speech, 2015
- Fylvdvs tumor, Paget's disease, a rare cancer of the breast, Breast Cancer Research, Speech, 2015
- Practical review and interpret graphs and reports ultrasound, Breast Cancer Research, Speech, 2015

**member of the Council, the Commission, the specialized
scientific committee**

- Faculty of Tehran University Jihad Breast Research Group, Since 2012 so far

- A member of the Radiological Society of Iran, Since 2000 so far
- Member of the Scientific Committee of the Congress of Radiology, Since 2005 so far
- Member of the Scientific Committee on Radiation Congress,2008
- Member of the Scientific Committee of the Congress of Radiology Breast Cancer,2006-2015
- Member of the Scientific Committee of Congress martyr Beheshti breast cancer, Since 2006 so far
- 9th Annual Congress of Clinical Oncology-member panel dealing with breast cancer in patients with preeclampsia Mhvpz National Library,2014
- Member panel of the 10th Congress of Iranian Association of General Surgeons, Conferences razi,2014
- Seminar panel of breast cancer in young member of Iran University of Medical Sciences, Rasoul Akram Hospital,2015
- Member of the scientific committee and referees at the 7th congress of breast cancer, Breast Cancer Research Centre, University of Tehran University,2014
